Old West Newfoundland Club did it again!!!! What a phenomenal group of people who came out and participated with their Newfs in this fun and educational day! Thank you for joining us and making this event a success!

Kathy Sylvia lead the day with fantasitic training and games. There were several relay games played with the dogs and handlers...I'm not sure who had the most fun, the dogs or the handlers! But Fun it was!

Lunch was served and once again we all enjoyed the wonderful BBQ brisket, sausage and chicken, accompanied with potato salad, beans, and the best Fried Pickles!

Thank you to all the participants - the weekend could not have happened without your support. And thank you to Kathy Sylvia, for driving all the way from NM to help make this event a success.

A very special Thank You to Phil Schlagel...Tribute had the best time ever and truly enjoyed teaming up with Phil for the realy games.

Registrations Income: \$366.35

Food Expenses: -\$238.15

Pavilion Rental: -\$70.00

Profit: \$58.20

While it may not seem like much, this covered the cost to put on this event. It was not designed to be a "money-maker" but to provide OWNC members with a day to have fun with their dogs, enjoy some great BBQ, hang out with friends, and end the water training season!
