2019 OWNC Water Seminar with Ron Horn

June 22 & 23, 2019
Vineyards Campgrounds
Grapevine, Tx
Would you like to increase your knowledge and abilities in water training?

OWNC is excited to bring you another amazing water seminar with OWNC’s very own and long time newf enthusiast, Ron Horn.

In this seminar - Ron will be going over water work from A to Z. We will be touching on all levels, from WD to WRDX. Whether you’re just starting out or you are stuck in a training rut and need help, this seminar is perfect for you! We hope you come out and enjoy a positive training experience with your water dogs in training!

Priority for working spots will be given to OWNC MEMBERS and working spots are limited so don’t wait to get your entries in!

*If working spots are not filled, we will allow other breeds to enter.

*In season bitches will not be permitted to participate

Entry opens May 7th and closes June 3rd
MEET RON HORN

“I’ve been fascinated by the Newfoundland breed for more than sixty years, but my true passion for the breed began in 1989 when I attended my first water test. One year later my girl, Ally, became my first dog to earn a WD. Ally began a tradition of active Newfoundlands being a part of our family. Over the years our Newfoundlands have participated in nearly every dog related activity available. One of my most happy moments was the day our Lucy earned her WRDX.

As a result of living with these wonderful Newfoundlands, I participate in a variety of dog-related activities, such as judging Water (Mentor) and Draft (Mentor) Tests for the NCA, and doing CGC tests for the AKC. I also teach seminars on Newfoundland Water and Draft activities, regularly serve as a tracklayer for AKC Tracking Tests, and am a Tester/Observer for Alliance of Therapy Dogs Incorporated. In addition, I serve as an instructor at Blue Springs ’n Katydid Dog Training Center where I teach puppy kindergarten. I also judge the Working and Non-Sporting Groups in conformation as well as Rally for the AKC.

It is an honor to be invited to present a water seminar for the Old West Newfoundland Club. It is my greatest desire to help each participant be able to enjoy the innate water life saving skills of our breed and to increase their personal skill level as a Newfoundland Water Rescue trainer.”
THINGS TO BRING

• Crate(s)
• Sun cover – there will be a covered pavilion but you may still bring a sun shade for your crate as the sun moves
• Fans
• Water for you and your dog
• High Value Soft Treats such as Meatballs, Turkey, liver, hotdogs, cheese – bring twice the amount you think you’ll need
• Water Equipment – (if you have it)
• Life jacket and water shoes (requirement for anyone getting in the water)
• Dog’s favorite toy
• Sunscreen
• Poop bags
• Long leash/line if needed – NO FLEXI LEADS
• Lunch if you don’t plan on ordering with the group – see below “MEALS” for details

RV RESERVATIONS

RV Reservations can be made by calling 817-329-8993

All sites are paved and include 30/50 amp, water, sewer, and cable. All sites are nicely spaced and uniquely situated on beautiful lakeside, rolling, wooded terrain. Most sites are over 60′ deep, many are over 70′ deep.

Gold Sites - These sites are the best of the best. Most pull-through, some back-in, lake front, large yards, custom fire rings, summer time hanging baskets, stained concrete patios and have a custom built wood deck.

Silver Sites - Mostly pull-throughs, some back-in. Most have a great lakefront views.

Bronze Sites - All are back-in sites. Some have lake views.

Please call 817.329.8993 for any questions or to book a site.
