## About the Test Site

The Vineyards Campground is a nationally acclaimed campground well-known for its peaceful setting, lovely grounds, lakefront views, private sandy beaches and accommodating staff. There is also a Camp Store just inside the entrance gate in case you forget anything!

The test will be held at the beautiful Pavilion site at the northern-most point on Caller Lane (see below). The new pavilion has enough room for crate setups inside. Please bring extension cords, multi-plug strips (if you have them), and fans. Full bathroom facilities with running water are nearby and portable bathrooms are located close to the pavilion. Because the Pavilion is on the end of a peninsula with limited parking leading up to it, there will be a designated loading and unloading area that will need to be kept clear of parked vehicles.

Please check the website <http://www.vineyardscampground.com> for additional information about their beautiful facility. (Please note that there is "No Smoking" at the test site or at the pavilion.)

### **Certification**

The Old West Newfoundland Club has been granted permission to hold this Water Test by the Working Dog Committee of the Newfoundland Club of America in accordance with the Water Test Regulations approved in 1999 and updated January 2019.

### **The NCA Water Test**

The NCA Water Tests are a series of exercises designed to develop and demonstrate the abilities of the purebred Newfoundland Dogs in an aquatic environment. The Newfoundland has historically functioned as a working companion to its owner, and members of the breed have participated in many heroic rescues. Performance of these exercises is intended as a demonstration of skills developed through both natural ability and training rather than a competition between dogs or handlers. The emphasis in the Water Tests is on teamwork between dog and handler in realistic work and rescue situations. Efficiency in accomplishment of tasks is essential; however, it is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

## **Attention Exhibitors**

Each exhibitor is responsible for providing his/her own water test equipment, including a U.S. Coast Guard approved personal flotation device and suitable foot protection to be worn in the water. Exhibitors are responsible for obtaining and being familiar with the current NCA Water Test Regulations. Regulations may be obtained from the WDC Publications Representative: Dwight Gorsuch, 6282 Burris Road, Rock Hall, MD 21661. The regulations are also available online at:

<http://www.ncanewfs.org/working/water/pdfs/WTRegs%20Approved%20Jan%202017.pdf>

Please keep your dogs on lead or crated when not being tested. Unentered dogs must be kept quiet, on leash, or crated and away from the designated test area. **Unentered bitches in season are not allowed.**

**Clean up after your pet.**

## **NCA Policy on Dog Aggression**

Any dog that, in the opinion of the Event Committee, attacks a person or a dog at an NCA working event, resulting in an injury, and is believed by that Committee to present a hazard to persons or other dogs, shall be disqualified. When the Event Committee disqualifies the dog, a report shall be filed with the NCA Board. The disqualified dog may not again compete at nor be on the grounds of an NCA working event unless and until, following application for reinstatement by the owner to the NCA Board, the owner receives official notification in writing from the NCA Board that the dog's eligibility has been reinstated. It is very important that each handler keep watch over his/her own dog(s) to avoid any possible confrontation that might result in an Event Committee hearing on the matter.

## **Bitches In Season Or With Ovarian Sparing Spay**

Bitches in season or with ovarian sparing spay will be tested after all other entrants for the day have been tested. They must be kept away from the official test areas until notified for testing. Bitches that have had an ovarian sparing spay are now required to be tested as "a bitch in season". After this procedure, a bitch could actually be in season with no visible signs but would be extremely attractive to the males.

**Please inform the Test Secretary as soon as possible if you know you will be bringing a bitch in season, or one with an ovarian sparing spay to the test.**

## **Important Rabies Information**

Please remember to carry a copy of your dog's current rabies vaccination certificate with you. The Texas Department of Health has declared the state of Texas under a rabies quarantine. A dog without a current rabies certificate is subject to thirty days quarantine.

**Covid -19 Safety:** OWNC will be following the WDC, state and local guidelines.

Please note information on safety practices will be posted as we get closer to the tests dates.

## **Entries**

Earliest Postmark for NCA Members: July 2, 2021

Earliest Postmark for NON-NCA Members: July 12, 2021

NCA members are granted a 10 day early entry as a benefit of their membership in NCA. To take advantage of the early entry rule, if the dog is co-owned, then either all co-owners of the dog must be NCA members OR the handler must be an NCA member. Entries postmarked before Friday, July 2, 2021 for NCA members and Monday, July 12, 2021 for non-NCA members will be returned.

**Entries close at midnight on Thursday, August 26<sup>th</sup> 2021** (or when the limit is reached) at the home of the test secretary, Sheila Mallinson, at which time entries cannot be cancelled, altered, or substituted. An entrant may request confirmation of receipt of an entry by enclosing a self-addressed stamped postcard or by including an email address.

### **Entries are limited to the following:**

**Friday: 25 total WD & WRDX; WRDX is limited to 5**

**Saturday: 25 total WD, WRD & WRDX; WRDX is limited to 5**

**Sunday: 25 total WD & WRD**

The entry fee is \$45.00 for each dog, each day.

Entries for re-qualification will be accepted only if the entry limit has not been met by untitled dogs. An alternate list will be kept.

Post Entries: Dogs who successfully fulfill the requirements for a Water Dog Title at a test may be post entered in the Senior Division at that test and will be tested at the conclusion of the Senior Division judging.

The handler will be allowed to test his dog until it fails an exercise.

The post entry fee is \$20.00.

All entries received after the entry limit has been reached will be placed on an "alternate list" by order of those without titles, in order of postmark, followed by re-qualifiers in order of postmark. If absentees or withdrawals occur prior to the start of the test, the test secretary will substitute entries from the alternate list. When notifying exhibitors of their entry numbers, exhibitors on the alternate list will be notified of their position on the list. Entrants who learn they will be unable to attend a water test must contact the test secretary immediately so exhibitors on the alternate list may be notified. Entry fee will be refunded if withdrawal of an entry is done prior to the closing date of the water test. Entry fee will be refunded for those on the alternate list who do not make it into the test. Entry fees will not be refunded for a dog on the alternate list who would have made it into the test had the dog been in attendance as per the Water Test Regulations, Chapter I, Section 12: Entry Limitation – "Alternates and Refunds."

\Note: The NCA Working Dog Committee has approved the eligibility of WRD titled dogs to enter the Junior Division exercises at any NCA approved water test. These entries will be made on a space available basis so as not to exclude untitled Junior dogs. WRD titled dogs entering, whether or not they pass the Junior Division, may not post enter the Senior Division that day.

## ONLINE ENTRY AVAILABLE

### Exhibitors Please Note!

The Old West Newfoundland Club is using the new online registration program for this event. Online registration is OPTIONAL but your participation will help the NCA perfect this new program.

Entries for this test will be accepted through the NCA's online registration service at <https://www.ncanews.org/wdc/> as well as through the traditional paper method. Entries submitted electronically will be assigned a postmark with the same date the entry is entered. Entries submitted by mail will be assigned the postmark given as per usual. Entries submitted electronically and via post will be considered equally in date order for slots in the test.

NCA members will have the same early-entry window with both paper entry and electronic entry. If you are not a member of the NCA you will be prompted to provide the same contact information that you would provide on a paper entry once entries are open to non- NCA members. You will be prompted to enter or verify your dog's information and you will have the opportunity to upload an image of your dog's registration certificate. Please have an electronic version of your dog's registration form ready for upload before you begin the online entry process.

If you experience any problems, please contact Dan Zimmerman, at [dan@dogfishsoftware.com](mailto:dan@dogfishsoftware.com)

## Schedule of Events

## Waiver of Rights -- Animals In Distress

The Newfoundland Club of America, Inc, and the regional club hosting this event reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending this dog event hereby waives any claim for damages against the Club for such removal. The NCA regards the health, safety and life of any dog on the event grounds to be paramount to other property or privacy rights. If the owner cannot be found in a timely manner, we will take whatever action is necessary for the safety of the dog, which may include breaking windows to enter a vehicle. Dogs found in an unsafe environment, distress, or in harm's way (for example, left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress, or harms way is considered mistreatment and subject to appropriate discipline.

## NCA WORKING EVENT AGREEMENT

I (we) acknowledge that the NCA test regulations have been made available to me (us) and that I am (we are) familiar with their contents. I (we) agree that the club holding this event has the right to refuse this entry for cause which the club shall deem to be sufficient. I (we) agree that I (we) will uphold the AKC Code of Sportsmanship, the NCA Code of Ethics, and (if applicable) the NCA Judges Code of Ethics. In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win ribbons or trophies, I (we) agree to hold this club, its members, directors, governors, officers, agents, superintendents, or test secretary and the owner or lessor of the premises or grounds and the employees of the aforementioned parties, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the test premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim or loss of the dog by disappearance, theft, damage or injury, be caused or alleged to be caused by the negligence of the club or any of the parties aforementioned, or by the negligence of any other person or any other causes. I (we) agree that any violation of the AKC Code of Sportsmanship, the NCA Code of Ethics and/or the Judges Code of Ethics will be handled pursuant to the Grievance policies listed on the NCA website.

I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time, resulting therefrom, sustained by any person or persons, including myself (ourselves) or on account of damage to property, or my vehicle arising out of or in consequence of my (our) participation in this test, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may be alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or other persons.

## **TADPOLE REQUIREMENTS**

Whether or not your dog has earned a water title, this fun event follows the water tests on Friday and is open to all dogs. Preregistration is suggested, day of test entries welcome.

The exercises are:

1. The Fetch – toss a bumper 25 feet from shore. Dog swims out to retrieve and brings it back to you while you wait on land.
2. The Dunk – toss or set a sinking toy 8 inches deep. The toy should be fully submerged. The dog gets the toy and you take it from him.
3. The Send – a stranger greets your dogs on shore and shows him his favorite toy or bumper. Handler and dog wait on shore while the steward swims out 25 feet. The swimmer waves the article and calls the dog. Your dog swims close enough to the swimmer to reach his toy then brings it back to you on shore.
4. The Boat- Part One: you and your dog approach and board the boat. Part Two: the stewards ease the boat out on the water and row for about 60 seconds, ending with the boat back on shore, stern in. Part Three: stay on the docked platform for a count of 5 then exit the platform to shore.
5. The Swim – a steward holds your dog by the collar on shore. You swim out 25 feet from shore and call your dog to come to you. The dog swims to you then, you both return to shore, swimming together, to wading depth.
